

Job Vacancy

Production Operative

Location: Bristol, Avon

Hours of Work: 40 Hours per week, Monday to Friday

Salary: Competitive + Bonus Scheme

The Role

Glulam Timber Engineering, part of the Keystone & Wyckham Blackwell Group of Companies, is seeking a Production Operative to join the team based at their manufacturing facility in Avonmouth.

Role Responsibilities

Your responsibilities will include:

- Operate machinery and hand tools in a safe manner, adhering to Health & Safety Regulations – full training will be given.
- Use company documentation and designs to produce required engineered timber components.
- Organise cut timber efficiently to maintain production needs.
- Assist in all areas of production as required.
- Complete any relevant and mandatory training skills to assist with personal development and multi-skilling.
- Assisting with loading of vehicles, adopting safe lifting & handling procedures.
- Ensure that the appropriate personal protective equipment (PPE) is worn at all times.

What do we offer?

We work hard to continuously improve our reward package, taking into consideration the view of every single employee to make sure we remain an industry leader. Some of the highlights of the fantastic benefits and rewards you can expect include:

- Competitive bonus scheme.
- Training opportunities.
- Generous holiday allowance.
- Long service awards.
- Employee referral scheme.
- Employee Assistance Programme – access to free and confidential support on a wide range of both work related and personal areas.

Previous experience in our industry, along with a forklift license, would be advantageous but is not essential – full training will be given to the successful applicant. A full driving licence is required for this role.

Applications

Please send your CV alongside a cover letter to Stuart Hamer: stuart@glulamte.co.uk
